## Testimonials

"I wanted to thank you and your team very much for all your support leading up to and on Saturday with the Summer Moon Music Festival. Maree was outstanding, such a pleasure to work with."

"I would like to thank the bus drivers Peter and Graeme who accompanied our staff and students to Hobart recently. Their professionalism, manners and rapport was excellent and I would highly recommend your bus company and Peter and Graeme."

"Can you please pass on our sincere thanks to the bus company and especially to our bus driver Peter. He was excellent, supportive and so obliging and also a very careful driver. He was right on time from the start of the day until the end!"

"Thanks for your help with our tour last week. We tried to make Phil feel part of the group, and his care for us was outstanding, far beyond what we had expected. If we run similar events, we will insist on him again! It was a highly successful tour, and we thank you again for the part Merseylink played in this."
